

## Current Rates & Fees

### Housekeeping

One **housekeeping** service is included in the dues structure for every 10,000 credits owned. **Housekeeping** fees help support WorldMark, The Club by keeping operational costs lower for all owners. The fees are charged to those owners who choose to spread credit use across multiple stays rather than week vacations.

**Please note** loft style units may be charged a higher amount due to being larger in size or amenities.
